What our customers are saying

"Before Sage Intacct, our AP process was paper-based, manual, and required days of hand-offs, approvals, and filing of paperwork. Since implementing Sage Intacct's cloud-based accounting software, the AP process is now completed quickly and electronically. Not only are we handing invoices much faster, but we're able to do it seamlessly with our team working remotely."

Angie Bacon, Director of Finance and Accounting, Craig HomeCare
