

How to Run an Aging Report that will balance to the GL detail for a Specific Date *Compatible with SAP Business One version 8.80, 8.81, 8.82

The AR Aging and the AP Aging reports must be run with a specific Selection Criteria in order to product a schedule that will reconcile to the AR and AP general Ledger Account. The example below will outline this process.

- 1 Find the General Ledger ending Cumulative Balance for the End Date you would like to match open Aging report for.
 - a. In this example we will be looking for a AR 3/31/2012 GL Balance
 - b. Open the Chart of Accounts window in the Financials Menu list
 - c. Highlight the AR GL account

- 2 Open the AR GL Account Detail; by click on the orange arrow pointing to the GL balance located on the left side center of the Chart of Accounts window.

The screenshot shows the 'Chart of Accounts' window in SAP Business One. On the left, the 'G/L Account Details' section is visible, showing the account number '12100000' and a balance of '424,776.56'. An orange arrow points to this balance. The main area displays a list of accounts under 'Assets', with '12100000-01-001-01 - Accounts Receivable - Domestic (HO, USA, GA)' highlighted in yellow. A vertical navigation pane on the right shows various account categories like Assets, Liabilities, Equity, etc.

- 3 Open the AR GL Account Detail; by click on the orange arrow pointing to the GL balance located on the left side center of the Chart of Accounts window.

Account Balance - 12100000-01-001-01, Accounts Receivable - Domestic (HO, USA, GA)

G/L Account: 12100000-01-001-01 Accounts Receivable - Domestic (HO, USA, GA)

Posting Date: From 01/01/2012 To 12/31/2012

Display: 1 Last Transactions

Display Unreconciled Trans. Only

- 5 Record the Cumulative Balance for the row.
 - a. In this example the Cumulative Balance for the last transaction posted in March 2012 is \$424,826.56

- 6 Run the Aging Report with the following Selection Criteria:
- Group By Customer
 - Leave Code From and To Blank
 - Set Customer Group to 'All'
 - Set Properties to 'Ignore'
 - Select the AR General Ledger Account using the Control Accounts button 
 - Set the Aging Date to the date you have recorded the GL Cumulative Balance for
 - Leave the Due Date From and To dates field blank
 - Leave the Document Date From and To dates field blank
 - Leave the 'Translate Leading Currency at Aging Date' un-ticked
 - Tick the Display Customers with Zero Balance Box
 - Leave the 'Display Reconciled Transactions' box un-ticked
 - Leave the 'Ignore Future Remit' box blank

The screenshot shows the 'Customer Receivables Aging - Selection Criteria' dialog box. The 'Group By' section has 'Customer' selected. The 'Code' section has empty 'From' and 'To' fields. The 'Customer Group' is set to 'All'. The 'Properties' dropdown is set to 'Ignore'. The 'Control Accts' checkbox is checked, and the 'Select All' button is visible. The 'Aging Date' is set to '03/31/2012'. The 'Interval' is set to 'Days' with '30' selected. The 'Posting Date' 'To' field is set to '03/31/2012'. The 'Due Date' and 'Document Date' 'To' fields are empty. The 'Translate Leading Currency at Aging Date' checkbox is unchecked. The 'Display Customers with Zero Balance' checkbox is checked. The 'Display Reconciled Transactions' and 'Ignore Future Remit' checkboxes are unchecked. 'OK' and 'Cancel' buttons are at the bottom.

- 7 The AR Aging Report Balance Due amount should match exactly to the AR GL Account amount for the same date.
